Italy:Photos

Italy is my second home, thanks to my Italian husband, Mario. My third major one-person photography show, called "Le Mie Foto Favorite" (My Favorite Photos) opened in July in Tellaro, Italy, an exquisite, tiny town on the Bay of La Spezia, in Liguria and continued at the Hotel Shelley in Lerici. Next year (June 1-30, 2008), I plan to have a one-person show at the fabulous Castello Doria in Portovenere, near our home in Italy. [Read more about my shows in Italy.](#)
